

UKTLC survey and standards update – joint SHOT and UKTLC webinar

12 May 2023 from 12:00 - 13:00 BST

The SHOT team are excited to announce our first webinar of 2023 covering a UK Transfusion Laboratory Collaborative (UKTLC) overview, highlights from the UKTLC survey results, latest standards, and available resources.

This 1-hour webinar is free to access and will include:

This 40 minute webinar will provide you with an overview and background from SHOT, and overview of UKTLC - key highlights from the UKTLC survey results, latest standards, and resources. Additionally there will be input from the MHRA perspective including the importance of UKTLC standards for inspections.

A 15 minute interactive Q&A session.

An excellent opportunity for CPD through reflective practice.

This webinar will be relevant to all health care professionals involved in transfusion – Laboratory Staff, Clinicians, Transfusion Practitioners and Haemovigilance Specialists, as well as Quality Assurance Professionals.
