

Blood Transfusion

Education and Discussion Group
Meeting 64

Blood and Transplant

Summary findings from the 2025 Annual SHOT Report

The session will provide an overview of the key learning points from the 2025 Annual SHOT report, including case studies.

This month we are joined by **Caryn Hughes, Vera Rosa and Victoria Tuckley** – Serious Hazards of Transfusion (SHOT), NHSBT.

SHOT

Serious Hazards
of Transfusion

**Wednesday 29th July 2026 at 14:00-15:00
(UK time) by Microsoft Teams Webinar**
